RESPONSE TO OFFICE ACTION UNDER 37 C.F.R. §1.116

Dear Sir:

This Response to Office Action is respectfully submitted in response to the Office Action rendered December 6, 2002. It is timely submitted in view of the Petition for Extension of Time submitted concurrently herewith.

The compositions of applicants' invention relate to freeze-dried compositions that provide fast as well as sustained release of pharmaceutically active agents. Surprisingly, notwithstanding the different characteristics and ingredients of the fast and slow release phases of the compositions of applicants' invention, the compositions of applicants' invention do not crack or easily disintegrate.
